

PROTEST!

Social housing not for sale

This is 17 Robinson Road, Bethnal Green. It's a 2-bedroom family home, owned by Peabody housing association. But on 26th February, Peabody are due to sell this desperately needed home at auction.

This is a scandal. There are 4,500 on the Tower Hamlets waiting list for a home like this. This home should be lived in by one of them, with a permanent tenancy and a social rent.

Join the protest to demand that Peabody withdraws this home from sale and rents it to a local family in need.

Monday 18th February, 8am, 17 Robinson Road E2 9LX
