

## **opposition to this**

We are the not an organisation and have no machine behind us, but we can still protest against what we think is wrong. Victoria Park ex-Crown tenants have been campaigning since November. Now it has come to light Peabody is selling off 2 of our homes too – along with a number of other housing associations and Westminster Council.

### **Selling off our homes will only worsen the housing crisis**

If you agree, and are available at these times -

- Come to the 1<sup>st</sup> auction **tomorrow Thursday at 9am** at the **InterContinental London Park Lane Hotel, 1 Hamilton Place W1J 7QY** to protest peacefully outside.
- Join a few of us outside **Nos 1 and 6 Ponsonby Terrace** on **Monday morning 10am – 10.45am** to speak to those coming to view the properties. (This was very successful last Monday – almost everyone agreed with us!)
- Protest outside the 2<sup>nd</sup> auction on **Tuesday at 10am** at the **Marriott, Grosvenor Square, W1K 6JP.**

### **WE CALL FOR:**

1. An end to selling off social homes
2. Realistic affordable rent controls for all housing association tenants
3. Security of tenure
4. Housing associations to return to their original purpose
5. Maintaining stable communities
6. Bringing back of effective government regulation and planning controls
