

## Homes for All/ Axe the Housing Act meeting 14.4.2018 – action agreed

- Support residents' right to ballot before any demolition/redevelopment plan for homes and estates.
- Future meeting to discuss regeneration plans and issues arising
- Paul will write something for the website on London Living/Affordable Rent v social rent
- We will make a statement re Housing Minister Dominic Raab's claim re migrants and house prices: Landlords, developers and political policies drive up rents - Not migrants!!"  
Camilla will research figures for draft re above statement for website
- Will march with Grenfell survivors and others today. 14 May march likely to be to parliament (which will be debating Grenfell inquiry petition demanding representative panel). We will help mobilise widest possible support if so.
- Ask Justice for Grenfell speaker to our next meeting, and clarify plans for June/July protest events. Kenny will check position of K&C Labour re post-Grenfell rehousing, housing management and tenant rights.
- Trade union support - good motion passed at NUT conference; another going to Unison. Discuss further how to widen support and active involvement. Remind Unions - Housing is a Workplace Issue (Irish TUC involvement 7 April march inspiring - why can't we do it too)
- Election briefing: agreed with 2 changes - 1. Add bullet point rejecting attacks on migrants  
2. Reorder points to be less London-focused
- Co-sign letter re Gypsy and Traveller sites and rights and invite others to do so.
- Draft Constitution agreed
- Add positive outcomes to website - not just the struggles.  
Kenny offered help with web and IT
- Next meeting: 12 May 2018 Chair: Carol if present, if not Mick P
